The Huron River Hunting and Fishing Club has a rich history for, over what is now, almost 100 years. Organized as a nonprofit on June 14, 1923, the Club continues the time-honored tradition of exceptional dining, service and fellowship as established by our founder, Eugene Rennard, nearly a century ago.

In response to continued strong demand for membership, the Board of Directors has opened membership again. This will allow us to, again, admit a limited number of new members to our Club. Enclosed with this letter is an invitation to our New Member Reception and a card to list your prospective new members.

To continue to further promote Club growth, the Board, on an interim basis, will retain the new rules for the admission of candidates to the intermediate membership class to include non-family members for an initiation fee of $500, along with reduced annual membership dues of $375. We will continue the age limit for this non-voting classification to 35. These rules, designed to entice and retain younger members, will be in effect until December 2017.

If you know someone who might be interested in joining our Club, please bring them to the New Member Reception on Tuesday, October 24 at 5:30 pm.

Thank you for your loyalty and service to our Club.
