Adobe Road Wine Dinner

Featuring Guest Speaker

Ray Radzewicz

Join us for the first wine dinner of our spring series featuring Adobe Road Winery. This unique Petaluma based boutique winery is known for its small batch, handcrafted artisan wines. Winery owner and legendary professional sports car racer Kevin Buckley and his wife Debra opened Adobe Road in 2002. The Buckley's based their winery in the heart of Sonoma County and pride themselves on using only the best attributes of each vineyard they source from. Our culinary staff will be pairing four courses with these excellent Adobe

Road wines:

Sauvignon Blanc Sonoma Coast 2017

Pinot Noir Sangiacomo Vineyard 2016
