Grgich Hills Estate Wine Dinner

Featuring

Guest Speaker Sean Barrett
National Sales Ambassador

We are excited to close the season with an internationally recognized winery who proudly celebrates world-wide recognition gained at the historical “Paris Tasting” of 1976 as the 1973 Montelena Chardonnay was selected as the **finest white wine in the world!** The family owned and operated winery remains committed to producing distinctive wines beginning with estate grown grapes from their certified organic vineyards. Please *lock this date in your calendar* and rest assured our talented kitchen staff we will prepare an amazing meal precisely paired with their food-friendly elegant wines; you will enjoy a delightful dinner second to none!
