

Huron River Hunting & Fishing Club

November 24th, 2020
Annual Meeting

Board Candidates for 2020

Mark Davis—My first experience at HRC was as the guest of Larry and Charlotte Williams over a decade ago. I loved the club and joined in April of 2012. The Friday Flip soon became a favorite evening out. I've also enjoyed sharing the club with clients, friends and family. The professional pictures from many HRC events hold a prominent place on my fireplace mantle.

I'm not a Michigan native, having lived in eight states growing up and shipping out all over the world in the Marine Corps. I enlisted in 1979, earned my degree at Madison Wisconsin on a ROTC scholarship and was commissioned in 1984. I've practiced leadership and management ever since in several rolls. I was on the board of Redford Baptist and was stewardship chairman. I served on the board of the Metro-West Steelheaders Club for seven years and was secretary and president. For 30 years I've been a financial advisor and have owned Haas Center for Wealth Management which I purchased from my mentor ten years ago. My home of 22 years is in Farmington Hills just a mile from the club where I garden and have begun planting an orchard which I hope to enjoy for at least another 22 years.

HRC has become a very important part of my life. Sitting the chairs as secretary, treasurer, vice president, president and past president would be a great honor. I aspire to continue our club traditions and build our club for future generations.

David DesJardins— I was introduced to the Huron River Hunting & Fishing Club twenty-three years ago by my late father-in-law and member Ken Roesler. The Club was the place to go for every special occasion in the family. Birthdays, anniversaries, and joyous milestones were all requested to be celebrated in the special rooms at the Club.

In 2013, after spending many years attending with Ken, I had the privilege of becoming a member. It was a moment of pride, as I knew that I could now carry on the tradition of bringing family to the Club, myself.

Not only would I be able to host our family at the Club, but now I have the ability to entertain clients and personal friends in an atmosphere that is unique and memorable to them as well. I have been in the construction industry for 34 years and the Club is the

most requested place to attend by my customers.

This year I celebrated thirty-three years of marriage to my bride, Michelle. We have three wonderful children and three grandchildren. We have lived in Brighton for the last twelve years and not only do we enjoy the great community, but our home church is located there as well. I serve as a drummer on our worship team and along with my wife we serve as mentors to married couples.

As a member of this prestigious Club, I feel that it is important to serve and help preserve the traditions and memorable experiences that I have come to love and want to share with others. Running for the board would give me an opportunity to become more involved in doing that and to ensure that the Huron River Club is around

Raeann Kusch—My family, staff and I really appreciate my membership in the Club. Hosting birthday parties, client dinners, Christmas celebrations with our staff and colleagues, and family events have been outstanding experiences at the Club. I have three children and six grandchildren and we look forward to our annual traditions at the Club. We are especially fond of the Mother's Day brunch, the Halloween event and New Year's Eve celebrations. We have never been disappointed in the food or service.

I am a Wealth Adviser for Thrivent and the owner of Legacy Consultants with my son Rick Hart and son in law David Herman. We have a financial planning offices in Michigan and Indiana. Our firm specializes in financial planning, insurance and investments for families and businesses. I also specialize in helping non-profits begin and grow endowments and helping develop their own charitable plans including donor-advised funds. Legacy consultants has our own charitable board and we are extremely active in planning, organizing and hosting charities to benefit individuals and organizations.

I am a Top of the Table qualifier for MDRT(The Million Dollar Roundtable), was the recipient of the Thrivent Chairman's award, am in the Thrivent Hall of Fame, was the first female in our company to qualify for the Top 25 and traveled throughout the country speaking for Professional Excellence Seminars.

As the co-author of "The Personal Touch—Encouraging Others through Hospitality", I am passionate about hospitality and speak to women's groups throughout the Midwest. I am a Certified Financial Planner (CFP), and have achieved the following designations ChFC, RICP,CAP,CLU, and recently achieved the Advanced Estate Planning Designation.

Before my 26-year career as a Financial Planner, I owned an advertising agency. I have served on many non-profit boards and I believe my experience in marketing, maintaining the integrity of the organization while allowing for appropriate growth, and management experience would allow me to be an asset on the board of the Huron River Hunting & Fishing Club. As a female businesswoman I believe I would bring diversification and a new perspective to the Club. I would relish the opportunity to use my skills and experience to assist the Club in continuing its standards of excellence for children, grandchildren and the generations to come.
