Re: ANNUAL MEETING RECAP

Dear Members:

What a year!

While we missed seeing everyone at the Annual Meeting, we were nevertheless able to conduct business through achieving a quorum between "live" votes and the new electronic voting option.

As customary, I ask that all members in the privacy of their homes honor our deceased members with a moment of silence:

Mr. Roger G. Fendt
Mr. John Bates
Mrs. Janet Hall
Mr. Leonard Kotarski
Dr. Howard Manz
Mr. Michael Faubert
Mrs. Rose Marie Steinmeyer
And
Dr. George p. Gopoian

May they, with all the other loved ones lost this year, rest in eternal peace.

Since we were unable to provide you with updates at the meeting, all reports have been uploaded to the Member section of the website giving details about the past year. Please review these materials at your leisure and reach out to me (or any Board Member) with any questions you might have. After reviewing these reports, you will see that we have shown great stability in an otherwise challenging year. Our cash position is strong, and we recently completed a very successful membership drive. The fact is that our current and new members recognize not only our great tradition of excellence, but the extremely safe environment we

offer at our Club. A special THANK YOU to Laura Fox, Michael Christy, and the entire staff for providing us with a great measure of comfort and normalcy during such an abnormal time!

With respect to the business at hand for the meeting, our Club Secretary, Mr. David Birdsall, determined that a quorum existed so the Board proceeded with the items on the meeting notice consisting of the election of a new member to the Board of Directors and the consideration of two Bylaws amendments. The ballot box and electronic cast ballots were delivered to the Judges of the Election which consisted of Past Presidents Messrs. Alfredo De Flaviis, Jerry Conner and Fredrick Gerometta, as well as UHY representative Mr. Luke Combs. After tallying the votes, the Judges of the Election certified that:

NEW BOARD MEMBER: the membership has elected Raeann Kusch to serve as the next member of the Board of Directors of the Huron River Hunting & Fishing Club.

PROPOSED BYLAW CHANGE NO. 1 – ACCOUNTING EXAMINATION WAS APPROVED by the membership.

PROPOSED BYLAW CHANGE NO. 2 – VOTING WAS APPROVED by the membership.

On behalf of the Board, we welcome Ms. Raeann Kusch as the newest member of the Board of Directors. For the upcoming year, the Club will additionally be guided by Mr. Allan Pfitzenmaier as President, Mr. Brent Canup as Vice-President, Mr. David Birdsall as Treasurer, and the undersigned as immediate Past President. Finally, we offer a very special and heartfelt “THANK YOU” to our outgoing Past President, Mr. John Bebes, for a job extremely well done!

Another Club year is in the books. We have normalcy right around the corner with the multitude of new and promising vaccine announcements and planned deployment. In two years, the Club will celebrate its centennial. The future for your Club is bright!

For a final time, it has been a great honor and privilege to serve as your Club President over this past year. As we all move toward normalcy, I wish you and yours an abundance of health and happiness through the Holidays and coming year.

With warmest personal regards,

Huron River Hunting & Fishing Club
