

Huron River Hunting and Fishing Club

Membership Committee Report for 2020

John Bebes – Membership Committee Chairperson

As I approach the end of my five-years of board service, I would like to thank the members of the Club for the opportunity to serve. It has been a very rewarding experience. I have enjoyed getting to know a number of the members at the Club better. I also have enjoyed working with my fellow board members. They all have shown a passion for the Club and a desire to make it the best place it can be for the entire membership.

As we are all aware, 2020 has been an unprecedented year. As such, with the three-month shutdown of the Club and the various rules related to capacity restrictions, social distancing and the wearing of masks, the marketing of the Club to new members was impacted. I would like to thank Dan Conner and Marty Shoushanian who volunteered to assist with membership before the virus struck. We found it difficult to move forward with any coordinated initiatives due to the uncertainty throughout the year. One example is the Club was not able to have its regular cadence of new member mix and mingle events. Another is we had contemplated a membership campaign to the cities surrounding the Club. The uncertainty of the virus caused us to delay further consideration for the year.

Despite all this, a number of our current members came through and brought new members to the Club. For 2020, we were able to welcome eighteen new members to the Club. I, Laura Fox and the other members of the board cannot thank these individuals enough. These individuals included:

Mr. Bolton	Mr. Truxell	Mr. Fontaine	Mr. Birdsall	Mr. Snitchler	Mrs. Dallacqua
Mr. Kurtz	Dr. Doig	Mr. Nagle	Mr. Pfitzenmaier	Mr. Dye	Mrs. Flaherty
Mrs. Compo	Mr. Conner	Mr. Proven	Mr. Mielke	Mr. Jamieson	

Thank you again for the opportunity to serve. Thank you to all the members who support this Club by bringing in new members and in so many other ways. You are appreciated. Let's look forward to 2021 and a great 98th year of the Huron River Hunting and Fishing Club!
