

On behalf of the Board of Directors and the Huron River Club staff, we wish to thank our loyal members for supporting the Club this past season whether dining for lunch, dinner or attending our special events! We had a tremendous Car Show in June as well as our final Friday Flip on June 30, another sold out gathering.

We are currently closed for the summer break as we honor staff vacations and attend to Club maintenance and updates!

Summer closure: Saturday, July 1 through August 3, 2023
The Club re-opens Friday, August 4th featuring Rick & Dayna Lieder!

Please visit the HRC website for the 'Event flyers' to view the Reciprocal Dining and Golf list as well as the Farmington Glen Swim Club flyer; the August date for Euchre and the HRC Wine Tasters is also posted!

If you need immediate assistance or have a concern involving the HRC, please phone the Club and leave a voice mail for Laura Fox, if preferred, please send an email to gm@huronriverclub.com / phone 248-470-6084
