Mr. Baxter is delighted to experience the Huron River Club and share his vast wine knowledge along with a paired dinner created by Chef Michael Christy and the talented HRC kitchen staff!

Wines selections and dinner courses are yet to be determined, our history with delicious wine dinners speaks for itself; please stay tuned and the details will be added to the flyer upon re-opening of the Club in August.

SAM BAXTER

For the last 20 years Sam Baxter's wines have reflected a classic Napa Valley winemaking style allowing an elegant balance of pure fruit, distinct characteristics of the vineyards along with the strength of the mountain properties. Mr. Baxter began the art of "blending wines" at the early age of 16 from his father Phil Baxter, on Spring Mountain.
