Make the Club your destination and enjoy a vast variety of wines to taste and stock in your HRC wine locker or home cellar hosted by *Detroit's Finest Distributors!* We look forward to another successful holiday wine tasting event offering our special pricing, *just above cost*, to **ALL Members!**

All wine vendors will have a dedicated table featuring their selected wines and will assist with any questions during the tasting process. Enjoy this opportunity to expand your palate as the local wine representatives present new arrivals and current vintages of old favorites! Angie, our Club Sommelier, will also be on hand to share her knowledge of the products.
